E-Mail: navajos@supanet.com  
**Entries to:** Helen & Matt Emery

**Veterinary Contact:** Duncan, Masson & Robertson. Tel:01309 722243  
**Local Doctor:** NHS 24 0845 4242424  
**Amenities:** Catering van if sufficient entries  
**Trails:** The forest is located by small village of Conicavel which is 4 miles from Brodie Castle. Excellent forest trails with twists & turns trails changing from hardpacked to grassy & back in a beautiful forest of mainly oak, beech & douglas fir.  
**Directions:** From Inverness head along the A96 through Nairn & on towards Brodie Castle. About half a mile before you reach Brodie Country Fair there is a sign marking a right turn to 'Darnaway 2' - take this right turn (this turn comes up a quarter of a mile after the big 'Welcome to Moray' sign & just after the snow poles). From Aberdeen / Forres head towards Inverness on the A96 & about half a mile after Brodie Country Fare take the left turn, sign posted 'Darnaway 2'. Both routes are now the same: - Head down this road & after 0.2 mile turn left & go immediately over a humped back bridge. Follow this road & it sweeps left past the drive to a big house. 0.8 miles after the humped back bridge turn right, signposted 'Conicavel 2 Miles'. Continue straight on at the next cross roads & continue on to Conicavel & follow the road through the village. Once through the village you will see the estate's forestry buildings on your left, where there is a toilet here & water available - the estate is happy for people to use the facilities but it is right next to houses so please don't walk dogs here as it could disturb people & lead to complaints. The forest entrance is just a little way further along (50 metres) from the forestry buildings on the right & will most likely have a banner up as well as a sign.  
**Accommodation:** Tourist Information 01224 288825  
**Camping:** Contact Rally Organiser if you wish to camp. Please do not camp in or near forest.
