**Trails:** Dyfnant is an upland forest situated on the edge of the Cambrian mountains just south of Lake Vyrnwy. Some parts of it are more upland than others. It is made up of hard packed forestry trails that have been well maintained as this area is used a lot by trotting horses and carriages.

**Directions:** From Welshpool head west on the A458 for 15 and a half miles. Just as you are leaving the village of Llangadfan (after passing the Cann Office Hotel) turn right along the B4395. The entrance to the Forest is on the left signed Pen-y-Ffordd, and is about a mile and a half on the left. The OS grid reference is SJ033154 and the Post Code of the Cann Office is SY21 0PL

**Accommodation:** Cann Office Hotel: 01938 820202  
Belan Bach Pine Lodges 01938 820503

**Camping:** No overnight parking in the forest. We hope that we will once again be able to camp overnight and use the timber hut belonging to the local Horse & Carriage group located near the forest entrance. Please contact organisers nearer the time for more details and to reserve your space. A small charge will again be made and donated to the group as a thank you for the use of its facilities.
