Trails: Dyfnant is an upland forest situated on the edge of the Cambrian mountains just south of Lake Vyrnwy. Some parts of it are more upland than others. Some people may remember the course as it's the same one used years ago. It is made up of hard packed forestry trails that have been well maintained as this area is used a lot by trotting horses and carriages. Whichever way round we run it, the course will have a slight downhill start.

Accommodation: Cann Office Hotel: 01938 820202

Belan Bach Pine Lodges 01938 820503

Camping: No overnight parking in the forest. We hope that we will once again be able to camp overnight and use the party shed, but please check with the organiser first. If this facility is available there will be a £5.00 charge for each van.

Directions: From Welshpool head west on the A458 for 15 and a half miles. Just as you are leaving the village of Llangadfan (after passing the Cann Office Hotel) turn right along the B4395. The entrance to the Forest is on the left signed Pen-y-Ffordd, and is about a mile and a half on the left. The OS grid reference is SJ033154 and the Post Code of the Cann Office is SY21 0PL

Note: There will be no facility to run un-entered dogs any time during the weekend
